

FURNI TECH LIFE

WHERE EXCELLENCE BEGINS...
MANUFACTURING & TRADING COMPANY

COMPANY PORTFOLIO - 2025

INTRODUCTION

Furni Tech Life is a leading innovator in the realm of Plastic Molding Components, Sheet Metal Parts & Moulds manufacturing. With a history of excellence and a commitment to precision, our company has emerged as a trusted partner for a wide range of industries, delivering high-quality solutions that meet the most stringent standards.

ABOUT US

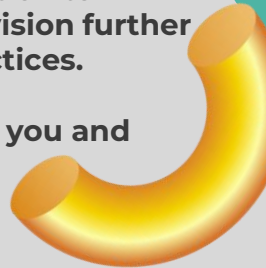

Founded in Year of 2023 and Manufacturing & Trading Location in Greater Noida, Furni Tech Life has consistently pushed the boundaries of what's possible in Plastic Molding, Sheet Metal Stamping Parts & Mould Manufacturing. Over the year, we have evolved and grown, well adapting to industry trends and technological advancements to deliver superior products and services to our clients.

Our core expertise lies in the art and science of Injection Molding, Blow Moulding, Extrusion Moulding, Injection Blow Moulding, Sheet metal parts manufacturing and design and development of moulds where precision, consistency, and reliability are paramount.

At Furni Tech Life, we prioritize quality assurance at every step of the production process. Our commitment to adhering to industry standards and certifications ensures that each component leaving our facility meets and often exceeds customer expectations.

We serve a diverse range of industries, & OEM catering to the unique needs of each sector with customized solutions. Our track record of delivering successful projects and forming lasting partnerships speaks to our dedication to customer satisfaction. As we look to the future, we remain steadfast in our pursuit of excellence. We envision further growth, continued innovation, and a deepening commitment to sustainability in our manufacturing practices.

Thank you for considering Furni Tech Life as your trusted partner. We look forward to collaborating with you and exceeding your expectations.

OUR PHILOSOPHY

MISSION

To empower individuals and businesses by providing innovative solutions that enhance productivity, efficiency, and overall success. We are committed to delivering high-quality products and services that exceed customer expectations, fostering a culture of continuous improvement.

VISION

To be the leading innovator and provider of high-quality solutions globally, setting the industry standard for precision, sustainability, and customer satisfaction.

VALUES

Our Core values serve as the foundation of our culture and guide our actions every day as Innovation, Integrity, Customer Focus, Collaboration, Excellence, Social Responsibility, Quality & Cost Efficiency.

OUR SERVICES

1. Mould Manufacturing
2. Blow Moulding Parts
3. Injection Moulding Parts
4. Extrusion Moulding Parts
5. Sheet Metal Stamped Parts
6. Fabrication
7. Welding
8. Critical Assembly
9. Critical Machining Parts
10. Import & Export
